

PalSU Synthetic Academic Guide 2026-2027

1. Institutional Policies & Enrollment Requirements

Palawan State University (PalSU) undergraduate students must maintain good academic standing. A student enrolled in the Bachelor of Science in Computer Science (BSCS) program must complete all prerequisite courses before enrolling in advanced subject matter.

2. Grading System & Academic Retention

Passing grade is 3.0 or better. A grade of 4.0 indicates conditional failure requiring re-examination. A grade of 5.0 is a failure and requires repeating the course.

3. Prerequisite Evaluation Rules

Course CS311 (Software Engineering) requires CS221 (Data Structures and Algorithms) as prerequisite. Course CS411 (Thesis Guidance) requires CS311 and CS312.
